Daily Intelligence Advisory CONVOY 2022

Date: 2022/01/31

Highlights:

NCR CIG

1. OSINT suggested something such as an action would happen at 10 am, then a countdown to Freedom at 1400hrs, and at the time of this writing (22hrs) an action in the evening have not come to fruition. This could be an attempt to keep police “guessing” or simply they do not have the coordination to carry out desired plans. There also was all call out of all trucks in the surrounding area to mobilize to the downtown core. No influx of trucks was noted. Again, this could be an attempt to mislead police or that the resolve of this convoy is waning.
2. OSINT speculation as to where Trudeau is “hiding out” is ongoing.
3. REDACTED
4. REDACTED noted, throughout the day, that the crows were smaller and generally in a good mood. The horns noise was consistent but died down by about 2100 hrs.
5. 21-25606 – Cst. Bourguignon spoke to several truckers in the convoy. From this he learned the following:
 - intention of staying long term (until government withdraws vaccine mandate)
 - management of their supplies (gas, oil, food, etc)
 - smaller trucks like DUECK’s (pick up truck) being used as “gofer’s” to re-up supplies
 - private donors are funding trucks outside of GoFundMe account
 - possible blocking USA/Canada border points
 - trucks in the downtown core using CB radios to communicate
 - ineffectiveness of injunctions
 - intention to get as close to Parliament Hill as possible over the coming days
6. PLT NCO Phong LE learned from one of the organizers that the rooms at the Ark hotel were being paid by a billionaire who was also staying in the hotel. Unconfirmed OSINT is that some truckers are being paid to be there.
